

# Subject on a Page Geography

## Intent

Geography helps us to make sense of the world around us, better understand the places we live in, learn about and visit, why they matter and how they are connected to a globalised world. Through geography, we encounter different societies and cultures and learn to appreciate the incredible diversity of landscapes and peoples. In geography, we face questions of what it means to live sustainably in an interdependent world and learn to value and care for the planet and all its inhabitants.

## Implementation

### When is Geography taught?

Geography is taught through thematic units. The Satellite View maps out which thematic units feature this subject and clearly shows the objectives taught.

### How is Geography taught?

Geography is taught through a combination of subject knowledge, geographical skills, enquiry and fieldwork. Learning takes place both inside and outside the classroom.

### Where do we learn about in Geography?

#### Africa

Madagascar  
South Africa  
Benin

#### South America

Brazil  
Peru

#### Local Geography

#### North and Central America

**Europe**  
Scotland  
Greece  
Rome

**Australasia**  
Fiji

### What do we learn about in Geography?

- Landscapes
- Human and physical features
- Landmarks
- Physical systems and processes
- Environments
- Settlements
- Trade
- Biomes
- Climate
- Land use
- Environmental issues
- Sustainability

## Impact

### How do we assess and monitor Geography?

- Pupil voice
- Theme books
- Work produced
- Verbal retrieval
- Written retrieval
- Displays
